Part II: Bill Provisions and the Estimated Fiscal Impact Relating to Local Government

Senate Bill 112 amends KRS 65.242(2) to conform with KRS 65.290(1), which states that no additional filings with the Secretary of State are required for interlocal agreements amended solely to add or remove parties.

KRS 65.242(2), which currently conflicts with KRS 65.290(1), requires all of the parties subject to an interlocal agreement, or the interlocal agency created by the agreement, to file interlocal agreements amended solely to add or remove parties with the Secretary of State.

The estimated fiscal impact to local governments with this legislation is minimal to none. Local governments will no longer have any expenses or personnel time associated with filing an amended interlocal agreement with the Secretary of State that is amended solely to add or remove parties.
